Stoddard Stone Arch Bridge

This twin structure was built in 1852 without mortar & sustained solely by expert shaping of its archstones which is typical of a unique style of bridge construction employed primarily in the Contoocook River Valley in the first half of the nineteenth century. These bridges are a significant part of our American architectural heritage.

AUDITORS REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of the Trust Funds, Cemetery Commission, and Library Trustees have been examined pursuant to RSA: 41.31 for the year ending June 30, 2003.

This audit was conducted by balancing all accounts, checking all income and expense vouchers and verifying the method of handling all aspects of the financial positions of the Town of Stoddard. This included the procedures used by the duly elected Officers and appointed personnel charged with the responsibilities of the positions listed above.

In the opinion of these Auditors, the above accounts, together with their financial statements, present fairly the financial position for the year end of the Town of Stoddard. These records also conform to generally accepted accounting principals applied using the cash basis method.

**Respectfully submitted,
Virginia R. GrandPre, Auditor

SELECTMEN'S NARRATIVE

The financial reports herein, with the exception of the Budget and Estimated Revenues, are from the 1/1/02 - 6/30/03 eighteen month transitional fiscal year. This is because these are the most recent audited reports. Please remember, the current fiscal year began on 7/1/03 and will run through 6/30/04.

The town-wide revaluation was completed on schedule and with few problems. Because the town's tax base increased, the tax rate dropped considerably and many property owners experienced a tax bill lower than last year's. Stoddard continues to have the lowest tax rate in this part of the state at \$12.44 per thousand of valuation.

You may have noticed two new street lights in town, one at each junction of Routes 123 and 9. Many a driver had missed their turn off when it was dark or foggy. We think this solves that problem.

We want to thank George "Doc" and Sally Cahill for the gift of land at tax map# 410-08.1. A thank-you also goes to the voters of the last Town Meeting for approving article #28 allowing us to accept the Cahills' generous gift.

It took several years to reach agreement and get all the approvals to fill the old fire pond by the gazebo. This past year it all came together and the fire pond was filled in, converting to town park land.

Please remember that you may need a permit for building, excavating, lot clearing, timber cutting, or any land work near a lake or wetland area. We urge you to take the time to check with our office to make certain your project is not in violation of any local or state laws before getting started.

Your Selectmen,

Louis E. GrandPre', Chairman

John D. Halter

Bradley C. Pratt, Jr.

ART. 24: To see if the Town will direct the Board of Selectmen to request the Department of Transportation or other appropriate state agency(s) to change the speed limit on Route 123 on the north side of Route 9 between the intersection of Route 123 (north) and Route 9 and the intersection of Route 123 (north) and Spruce Cove Lane from 35 mph to 45 mph, or take any other action relative thereto. **(By Petition)**

ART. 25: To see if the Town will vote to adopt the following ordinance pertaining to dogs:

Effective July 1, 2004, the following conditions shall apply to dogs kept in the Town of Stoddard:

1. Dogs shall not be kept outside on a tether for more than 16 cumulative hours in any 24 hour period.
2. While outside dogs shall have access to clean water and a wind proof, rain proof, enclosed shelter with a roof and solid floor, of a size appropriate for the dog to stand up and lie down comfortably and to retain body heat. The entrance shall be large enough to allow access, but out of direct path of winds. The shelter shall have a sufficient quantity of suitable bedding material to ensure the comfort of the dog.
3. The containment area of the dog shall be free of accumulated waste and debris so that the dog shall be free to walk or lie down without coming into contact with such waste or debris. A suitable method of draining shall be provided to eliminate water or moisture.
4. For dogs confined outside by a tether, the tether shall be safe so

as to prevent tangling, hanging, or other injury to the dog. The tether shall be weight appropriate and attached to a properly fitting, non-choke collar or harness worn by the dog.

5. In extreme or dangerous weather conditions (extreme heat, cold, thunder, snow, ice) dogs must be kept inside a building, which can include a barn or garage.

6. Dog owners or caretakers found in violation of this ordinance shall receive a **WARNING** from the Stoddard Animal Control Officer, Monadnock Humane Society cruelty investigator, or other duly authorized law enforcement officer, after which they will have 1 - 30 days to comply. A third warning for the same dog may result in removal of the dog to the Monadnock Humane Society. The owner/caretaker shall have 30 days to comply or shall relinquish permanent custody of the dog to Monadnock Humane Society. The owner/caretaker shall reimburse Monadnock Humane Society for food and boarding during the time the dog is in Monadnock Humane Society custody. **(By Petition)**

ART. 26: Shall the Selectmen appoint a committee to study the town's need for a compliance officer. Said committee would report its findings and recommendations to the Selectmen, including a clear statement of proposed duties and the proposed annual cost for funding such a position.

ART. 27: To transact any other business that may legally come before this meeting.

Given under our hands and seal this 14th day of April
In the year of our Lord, two thousand and four.

DAVIS PUBLIC LIBRARY LIBRARIAN'S REPORT 2003

Having begun working at the library this past August, it has been my pleasure to reacquaint myself with all that a small town library has to offer. I look forward to making the library an integral part of the community. The library currently has two people dedicated to that attempt: myself and Paula Crosier, the new assistant librarian. There are numerous other people who have volunteered their time and I look forward to calling on their expertise in the future.

The Davis Public Library has three outstanding trustees who have allowed me to make changes to the hours of the library. At a recent trustees meeting we determined that the library should remain open more hours during the summer months and fewer during the winter. Thus, our current hours are Wednesday 7:30 - 9:00 pm and Saturday 9:30 - 11:00 am. During the summer those hours will be increased as programs and events occur. Currently Saturday morning story time is held from 10:00 - 10:30 am.

New purchases for the library have been waiting upon an assessment of use. Approximately 50 new adult books and 50 new children's books have been purchased with more to come. There have been wonderful donations that have greatly increased our video and book collections. We have been able to add to the audio book collection through donations and purchases as well. Magazine subscription donations have kept the library current with popular culture, cooking, and family magazines. A special donation of two Compaq Presario computers has been a tremendous bonus. Hopefully those will be up and running in the near future.

The Old Home Days book sale was very successful, as it has been in the past. I would like to thank Mary and Michael Meyer for their manning of the sale as well as their aid in running the library when I was not available. I would also like to thank all of the people who have made such generous donations to the library in the past year. Without the support of the town, the library would not be the special place it is. Through your support, I hope to make it as wonderful as we all know it can be.

Respectfully submitted,
Maureen Meyer
Librarian

STODDARD FIRE DEPARTMENT REPORT

93 Total Calls	
Medical Calls 40	Radio Calls 50
Fire Calls 33	Business Meetings 12
Motor Vehicle Accidents 20	Training Meetings 20

We have been actively pursuing available Grants, and are going through a learning curve on the Grant writing system. Several of our members have been to seminars and we hope to receive Grants in the future.

This year we received a 75/25 Generator Grant through the State for \$3,000.00 and purchased two 8,000 watt portable Generators to be able to hook up to the Town Hall and Fire Department for emergency power service. These units are portable and will be available for any electrical emergency response as needed.

We had 3 members: Patricia Lamothe, John Wilder and Jesse Pollock go through an extensive Fire Fighter Level II certification. All passed and we appreciate their time, effort and service to the town.

The Antrim Ambulance Service has increased their charges an additional \$500.00 to \$8,000.00 per year. They are still looking into the possibility of going to direct billing in the future. We depend heavily on their service and appreciate their expertise.

This is the first year Department members have received pay per call at the rate of \$7.50 per hour. This incentive has helped members who lose time at work and fuel expense. We believe this is a start to help our Volunteer membership and increase incentive to our members.

We are coming to a point where we will need to update our Breathing Apparatus, and will be looking to replace 9 units at about \$4,500.00 per unit at a cost of about \$40,000.00. We will be investigating the best cost effective way to purchase these units.

This winter we participated in a lot of house fire calls in surrounding towns as well as them helping us with accidents on Route 9. The Mutual Aid System is an outstanding system in providing service to our area, and we praise the help of the Dispatch Service in Keene.

We are training monthly with our existing equipment and are maintaining it on a weekly basis helping to keep our skills up to date.

The New Hampshire Department of Safety has received a Homeland Security Grant of 8 million dollars and will be providing new updated radios to all Fire Apparatus in the State. This Grant will save the town approximately \$20,000.00 and help the Department in our communications on all emergency calls.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wild land fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning. Contact the New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information.

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at www.nhdf.org or 271-2217 for wildland fire safety information.

STODDARD POLICE DEPARTMENT REPORT

It has been this department's good fortune to acquire William "Bill" Congdon as a Stoddard Police Officer. Bill comes to us as a Marine Patrol Officer. Some of you may have seen him on one of our lakes. Bill has been certified and has assumed a position on this department. Fortunately for us, this certification came through Marine Patrol and at no expense to Stoddard or this department. In these times, it is almost impossible to acquire good and certified people for part-time positions. Many of the towns around Stoddard are trying to keep up with calls with only a Chief to take them. To date, Stoddard is able to hail that we have three (3) Officers taking calls. Bill, we welcome you to our department and wish you good fortune. Stay safe.

As in the past, Stoddard continues to get an increase in Calls For Service. Accidents appear to be on the increase as well as Citizen's Assistance calls. Assistance calls have doubled this past year. The number of Accidents and vehicle related events have surpassed the previous year. The increase in Domestic Calls has more than tripled. Burglary & Theft issues have doubled in the past 12 months. The need for a Police response to Fire and Ambulance calls has also tripled. The State Police have been very good about assisting when they are available. In some cases, they are not in this area or are too far out to assist.

It is requested that homeowners identify their property with a visible number. We have received several calls to homes we had to look for. A house number should be placed either on the home or the mailbox or at the entrance to the driveway to eliminate this problem. In an emergency, it is imperative that we respond to your needs as rapidly as safely possible. Your assistance with this issue would be greatly appreciated.

In other business, the Cheshire County Sheriff's Department has assumed duties as Police Dispatch. This became effective in mid-June 2003. Keene Mutual continues to handle all Fire, Ambulance and Rescue calls. All Police matters now come to us through the Sheriff's Department. At this time, County Dispatch advises that Radios used for Communication are slated to go Digital. The Radio that the State installed in our Police unit is able to support the Digital theory. Originally, this transition was scheduled for March 2004. We have not heard further. Dispatch advises that going Digital will eliminate the "dead spots" we encounter at this time. The older Analog units will not be able to hear or transmit, also, most of the Monitors will not be usable.

I would like to thank the Town's people for their continued support and assistance during the past year. We would point out that if you have an emergency, call 911. Also, the direct line to our Dispatch can be called. That number is 355-2000. Non-emergency calls can be made to the Stoddard Police Department at 446-3597. If needed, the answering machine will take your message.

Respectfully Submitted,

David Vaillancourt, Constable/Police Chief

CEMETERY COMMISSION REPORT 2003

In our 2002 report, we were hoping to install a new roadway that would extend the present one in the new cemetery on the road to the school. Presently the road ends half way down the hill, which required backing up the incline, which can be very difficult when it's slippery. Unfortunately, we could not fund that \$10,000 extension from the interest on the trust funds. As the interest rates have fallen to new low levels, the yields to maintain the cemeteries have greatly decreased. Therefore, it did not seem prudent to make that withdrawal. Instead, we have put this before the voters as a Warrant Article. Should it pass, the roadway will be extended. As we are interring further and further down the hill, to have a road that continues to the bottom of the hill, then runs along the lower stone wall and exiting onto Center Pond Road becomes more necessary. We ask your support in voting for this new addition.

The "new" cemetery addition to the school hill cemetery was first used in 1985. The first interment in the old portion was 1792. The rightful name of this cemetery is **Dow Hill Cemetery**. We are looking into erecting a sign on this site to show the correct name, along with the above dates. The New Town cemetery, located on Mount Stoddard Road isn't so new! This new cemetery dates 1822! So thusly the "new" confusion. Hopefully erecting the *new* sign will accustom folks to call the *new* cemetery by its correct name...Dow Hill Cemetery.

ZONING BOARD OF ADJUSTMENT 2003 - 2004

During the 2003 - 2004 town year the Board of Adjustment met on one occasion to deliberate on an application for a Special Exception to allow the construction of a deck with less than the required setback from the high water line.

The Board also held a special meeting to discuss general issues and to propose the idea of a compliance officer to assist the Selectmen in overseeing building permits and Zoning Board conditions for allowing special exceptions and variances to the Community Planning Ordinance. The idea is to have someone who would inspect lots to ascertain that the building permit maps are correctly shown for setbacks from boundaries and lake high water lines and to make sure the conditions imposed to allow for Special Exceptions and Variances are complied with.

The board consists of 5 full members and two alternates and holds meetings on the first Monday of the month as required.

I wish to thank the dedication of all the members and alternates for their time and attention to board matters.

Rescue Lieutenant	\$100.00
Total	\$1,300.00

Seconded by PJ Lamothe.

Discussion follows:

Mike Meyers questions why the increase in salary.

Daniel Eaton, Moderator, remarks: This is not an increase. This would be the first time providing a salary to any member of the fire department, to help pay for meetings, travel and on call for fires.

More discussion follows on Article 12 with the Amendment:

Mrs. Jackson questions liability coverage and Federal Taxes.

John Halter Selectman remarks that all members are covered under workmen's Compensation now.

Article 12 as amended is adopted unanimously.

ART. 13: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the operating budget for the Stoddard Fire Warden.

The Fire Warden and the Selectmen recommend this appropriation.

Motion by Joe Sarcione, seconded by PJ Lamothe.

No discussion, Article 13 is adopted.

ART. 14: To see if the Town will vote to raise and appropriate the sum of \$125,000.00 for winter and summer maintenance, emergencies and planned repair of Town roads and bridges. *The Selectmen recommend this appropriation.*

Motion by David Vaillancourt, seconded by Louis Grandpre'.

No discussion, Article 14 is adopted.

ART. 15: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to fill in the fire pond located at tax map # 129-08 and authorize the withdrawal of \$5,000.00 from the Town Parks W Trust Fund. The balance of \$5,000.00 is to come from general taxation. *The Selectmen recommend this appropriation.*

Motion by Louis Grandpre', seconded by Sally Cahill.

Discussion follows:

The selectmen feel the pond is a liability to the town and there have been several mishaps with dogs and children. It is the selectmen's recommendation that the time has come to fill in the fire pond.

The decision whether to put this article out to bid will be left up to the selectmen.

Article 15 is adopted.

ART. 16: To see if the Town will raise and appropriate the sum of \$83,603.00 for the Recycling and Transfer Station expenses for the ensuing year. *The Selectmen recommend this appropriation.*

Motion by Louis Grandpre', seconded by Chet Pratt.

Discussion as follows:

Laura Fletcher requests dumpsters to be left opened at one end for easier disposal.

Harry Power requests tonnage disposal to be listed in next year's town report.

The selectmen agree.

Article 16 is adopted.

ART. 17: To see if the Town will vote to raise and appropriate the sum of \$1.25 per resident (Total \$1,180.00) for services provided by Monadnock Family Services to uninsured and underinsured residents of Stoddard. **(By Petition)** *The Selectmen recommend this appropriation.*

Motion by Lindsay Freese, seconded by Marylou Eaton.

No discussion, Article is adopted.

ART. 18: To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800.00) for HCS-Home Healthcare, Hospice and Community Services to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. **(By Petition)** *The selectmen recommend this appropriation.*

ART. 27: To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to fund the position of Town Administrator. This part-time position would enable it's holder to manage our local government in coordination with the Selectmen, make decisions based on current local laws and unbiased common sense, answer the questions of Stoddard citizens, and respond to all inquiries promptly. *(By Petition) The Selectmen do not recommend this appropriation.*

Motioned by Do Secco, seconded by John Secco

Discussion follows, Consensus of the townspeople is that the Selectman's office hours should be increased. The Selectmen agree. More discussion follows. Motion to limit debate favorable. Article 27 fails by voice vote unanimously.

ART. 28: To see if the Town will vote to authorize the Selectmen to accept a gift of land identified as tax map #410-08.1 containing 8.84 +/- acres if made available to the town during the ensuing year.

Motion by George Cahill, seconded by Mary Lou Eaton.

If the town accepts this property as a private public partnership, (Long-term), a town building built there would house all town offices and several shops.

Discussion follows.

Motion made and seconded in the affirmative to limit debate.

On voice vote Article 28 is adopted.

ART. 29: To see if the Town will vote to adopt the following ordinance pertaining to dogs:

Effective July 1, 2003, the following conditions shall apply to all dogs kept outdoors in the Town of Stoddard:

1. For dogs confined by a tether:
 - A. the tether must be at least 5 times the length of the dog, from nostril to base of tail
 - B. the tether shall be equipped with swivel ends and shall be positioned to prevent tangling and/or hanging
 - C. the tether shall be attached to a properly fitting collar or harness, worn by the dog
 - D. The tether shall not weigh more than 1/8 the dog's body weight.
2. Dogs kept tethered shall spend at least 1 hour per 24-hour period off tether, indoors engaged on social interaction or in outdoor exercise.
3. Dogs kept outdoors WILL have access to adequate shelter at all times. "Adequate shelter" is defined as a doghouse or permanent structure of appropriate size to maintain the dog's body heat and allow the dog to stand, turn around and lie down, with a covering over the door and dry hay or similar material inside.
4. In extremes of weather, I.e., snowstorms, thunderstorms, temperatures below 15F or above 90F or, as determined by the animal control officer, when extreme wind chills or humidity create unsafe outdoor conditions, dogs shall be kept indoors.
5. All dogs kept outside MUST have access to shade from the sun and to fresh water at all times.
6. Any person found to be in violation of these conditions shall receive a WARNING from the animal

control officer and shall have 30 days to comply. Persons who receive a warning are encouraged to consult the animal control officer or other professional to resolve the problems.

7. A person found in violation a second time for the same dog shall be assessed a \$100.00 fine, payable to the Town of Stoddard, 30% of which shall be donated to the State of New Hampshire's low cost spay/neuter fund.
8. A third violation for the same dog may result in removal of the dog to the Monadnock Humane Society, at the discretion of the Animal Control Officer. The owner shall reimburse Monadnock Humane Society for food and boarding for the dog for the period of time it is in custody of MHS. If the owner does not comply with the terms of this Ordinance within 30 days the owner shall relinquish permanent custody of the dog to the Monadnock Humane Society. **(By Petition)**

Discussion follows:

Motion made by Terry McMahon seconded by Pat McMahon for amendment to Article 29, to read as follows:

" The content of Article 29, substantially in its original form, shall be distributed in printed form to each person who applies for a dog license, to provide guidance in proper animal care.

Discussion on the Amendment follows:

On a voice vote the Amendment is adopted.

Further discussion on the original article with the amendment follows:

Motion is made to limit debate on the article with the amendment. Motion passes in the affirmative.

Motion made to adopt Article 29 with the amendment. On a voice vote the Moderator was in doubt. On a standing vote, the motion to adopt Article 29 fails.

Art. 30: To see if the Town will vote to adopt the following Health Care for New Hampshire Resolution:

Whereas, New Hampshire residents pay the 12th highest cost for insurance in the country; and

Whereas, the cost of health insurance premiums for New Hampshire families has increased by 45 percent in three years and now averages \$8,500.00 a year; and

Whereas, 100,000 New Hampshire residents have no health coverage and 77 percent of them have a full time worker at home; and

Whereas, due to the rising costs almost half of New Hampshire's small businesses cannot afford health coverage for their employees, now, therefore be it resolved that we, the citizens of Stoddard, New Hampshire call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

-Everyone in New Hampshire, including the self-employed, unemployed, UN-and underinsured, and small business owners,

has access to an affordable basic health plan similar to what federal employees receive:

-Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system,

-Every family and individual in New Hampshire receives high quality care that is cost efficient and medically effective; and

-That these efforts help controls the skyrocketing cost of health care. (By Petition)

Motion by Mr. Jackson, seconded by Mrs. Joslyn.

Discussion follows:

On a voice vote, article 30 fails.

Art. 31: To see if the Town will vote to send the following resolution to the New Hampshire General Court:

Whereas, the NH Land and Community Heritage Commission, in its final report released on November 15, 1999, found that "pressures on our natural, cultural and historical resources caused by growth and sprawl are seriously affecting the quality of life of NH citizens"; and

Whereas, the Commission proposed a new voluntary program to be called the Land and Community Heritage Program (LCIP), similar to the successful Land and Community Investment Program (LCIP) but expanded to include cultural and historical resources; and

Whereas, 108 NH towns and cities passed warrant articles or resolutions in support of LCHIP'S creation in the spring of 2000; and

Whereas, in its 2000 session, the NH General Court overwhelmingly approved the establishment of LCHIP (24-0 in the Senate, 326-9 in the House), and provided initial funding at the annual level of \$6 million in the 2001-02 biennium; and

Whereas, LCHIP has since awarded 111 grants in 86 communities throughout New Hampshire, helping to restore or rehabilitate 57n historic structures and helping to conserve 199,603 acres; and

Whereas, LCHIP had to date leveraged \$4.02 in matching funds for every \$1 invested, well in excess of the 1:1 ratio mandated be the General Court; and

Whereas, LCHIP is a small and efficiently-administered program; and

Whereas, funding for LCHIP grants will be exhausted this spring with the completion of the program's fourth grant round; and

Whereas, the Town of Stoddard may seek LCHIP funds to protect conservation land and preserve historic resources now and in the future,

Now, therefore, be it resolved that the Town Selectmen of the Town of Stoddard urge the State of New Hampshire General Court to maintain level funding for the Land and Community Heritage Investment Program in its next biennial budget. **(By Petition)**

Motion by Geoff Jones, seconded by Linsey Freese.

Geoff Jones speaks in favor of the article.

Discussion follows:

Article 31 is adopted.

ART. 32: To transact any other business that may legally come before this meeting.

1. A consensus vote pertaining to Article 15, whether Article 15 should go out to bid. On a voice vote, consensus is no bid. The selectmen should handle it.

2. Laura Fletcher suggests having a time for the town residents to meet the candidates running for election. Louis Grandpre' suggests having this immediately after the budget meeting each year which would be after the candidates have filed.

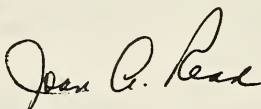

Marylou Eaton moves that the meeting be adjourned.

Meeting adjourned at 9:30 PM.

Moderator swears in all newly elected officials.

Annual School Board Report 2003-04

This past year has been a very busy and interesting school year for our school board with many great things happening in our school district. The school year began with a new superintendent, Dr. Christine Tyrie, who, as many of you know, replaced Don Jones. Our entire school board attended Don's retirement dinner. The board has made a great transition working with Dr. Tyrie this school year.

We also began the new school year with a new school board member, Mrs. Alfrieda Englund, who replaced Brenda Howard, former board chair. The board honored Brenda during our first annual Awards Ceremony in recognition of her 10+ years on the Stoddard School Board, including six years as chair. We also presented George Cahill with a Certificate of Appreciation for the many hours he served as a community member representative on the Superintendent Search Committee.

As mentioned, we held our first-ever Awards Ceremony to recognize our students who achieved honor roll status at Keene Middle School and Keene High School. We will continue this annual event and hope to expand it to include recognizing students who participate in extracurricular events, including community service, and volunteers who work with our students in the school system.

Another highlight to this year was the Lucy B. Hill Community Room dedication held this past fall. The dedication was in honor of the many years of service and support Lucy B. Hill gave to our school and students. It was a wonderful community event and a chance to reminisce with others of our school's history and those who have served us. Marie-Lise Reilly, our Art and French teacher, who knew Lucy well, painted the new sign. The board would like to thank all those who participated and helped out to make this event so special, including Lucy's family and former students.

This year the board has discussed the budget at almost every meeting, talking with staff regarding their needs and the necessity of keeping costs down. We asked Ray Lagasse to chart a five-year building and maintenance needs plan and met with Jeff Bush, our new technology coordinator, to plan for our much-needed computer needs for students and staff. All staff have been involved in the budget process and have been very responsible at keeping costs down.

We held extra budget work sessions and have spent a lot of time discussing and working on the budget. Obviously, we have no control over the increasing special education costs and out-of-district tuition that always seems to escalate. The SAU 24 staff has made every effort to communicate and meet with Keene SAU 29 staff regarding our billing and student's needs. Janice Dialessi, our special education teacher at Faulkner Elementary, has also made classroom visits in Keene to be sure our students are receiving the services needed and required.

The board has had issues with late billing from the Keene School District involving tutoring bills. The bills have been paid by encumbered funds from 2002-03 and

unencumbered funds from our current budget, thereby avoiding having to deficit spend at present. Increases in the Faulkner Elementary budget account for 5.33% of the overall 14.33% increase in this year's budget. The majority of the increase is due to special education costs and tuition increases, which are established by schools outside of Stoddard which our students attend.

Our elementary school now receives Title 1 funds and Pam Dionne was hired to teach the program. Pam also serves as a classroom aide.

The board had to revisit the full-time staff salary schedule, as this past year was the last of a three-year salary step schedule. The board decided to approve a 3% salary increase for the 2004-05 budget. A new salary schedule and the benefit schedule will be discussed next year. The Stoddard portion of the SAU 24 budget has also increased 15.43%, mainly due to a new computer technician position and increases in staff salaries.

Other school board business this year included:

- New staff: Amy Rushing, our new music teacher; Bonnie-Lee Dahling, temporary aide; and Jeff Bush, computer technician.
- Formation of a Playground Committee consisting of eight community members, including Jeff Bush as chair. Carol Clark is serving as the board's representative. The insurance carrier visited all schools and playgrounds in SAU 24 and has cited our playground as having safety violations. The purpose of the committee is to review those violations, plan a safe and improved playground and begin fundraising to replace the unsafe equipment.
- Installation of a fence between the playground and road entering the schoolyard.
- Sponsoring our youth basketball and soccer programs.
- Donating our old copy machine to the Stoddard Historical Society.
- The stuffed bird display, which has been on loan to the library for several years, is now back at our school. We have also begun a much more involved relationship with the Stoddard Library.
- Reviewing all job descriptions of our staff. Many were generic descriptions and need to be updated to fit the current positions.
- Holding three information sessions during regularly scheduled business meetings. The first was an explanation of "No Child Left Behind," presented by Dr. Tyrie who has been very involved with the program. Many details were presented and the board now has a better understanding of the legal aspects of that Bill. Dr. Tyrie also held a session to explain our special education program. Maggie Sergeant, Kathy Guertin and Mark LaFleur, Principal, gave the board an update on the K-5 curriculum at a recent meeting.
- Continuing to work on a goals and objectives plan.
- Reviewing school bus stop evaluation criteria from the NH Department of Transportation, including a checklist for identifying bus route hazards. Our plan is to use this checklist to evaluate each current bus stop and help us determine future bus stops. We plan to have as few stops as possible along Route 9 due to the safety hazards.
- Adding a new speed limit sign to the road entering the school.

- Welcoming an intern from New England College, Nikki Goase who is pursuing a degree as a guidance counselor.
- Reviewing storage needs with Mark LaFleur and Ray Lagasse this year. Long-range plans are to install more cabinets in the kitchen and one along the front wall in the community room.

The board looks forward to another successful year and will continue to work toward keeping costs down and providing an excellent education for our students. We commend our staff and volunteers for the wonderful work they are doing to make our school the wonderful learning institution it is.

Sincerely,

Carol A. Clark, Chairman
Michael Meyer

Principal's Report

As we kicked off the new school year this fall, we once again began the year with new staff members. After a long search, we finally found a new music teacher, Amy Tandy Rushing. Amy was born and raised in Massachusetts, and graduated from the University of North Carolina in 2001 with a Bachelor of Arts in General Music. In addition to teaching music classes, Amy also teaches private music lessons to students at our school, as well as in her home area. She currently resides in Warwick, MA with her husband, Josh and daughter Abigail.

Linda Kress has come on board as our new Speech Language Pathologist. Linda has been a speech language pathologist since 1977 working in various settings such as hospitals, nursing homes, rehabilitation centers, and public schools. Linda received her master's degree from UNH, and now lives in Peterborough with her husband and three school age daughters.

Another addition was made to our staff when Bonnie Dahling joined us as a tutor. She comes to us from Connecticut, where she taught in elementary schools, as well as being a supervisor for Aetna Life and Casualty. Bonnie lives in Stoddard with her husband, Bert.

This year's final addition was Jeffrey Bush, who has taken on the roll of Technology Coordinator. Jeff has helped the school out for the past several years as we have become more technological, and is now helping us to get updated in the areas of hardware, software, and internet connections. Jeff lives in Stoddard with his wife Angela and their four school age boys. Jeff received his Computer Systems Engineering degree from Daniel Webster College. He has been employed with Vermont Circuits Incorporated for the past fifteen years, and is currently the Director of Engineering, Quality Assurance and Technical Support.

In the spring of 2003, the staff, students, and community members held the second annual 100th Day celebration. Many challenging and intriguing activities involving math skills were created for the students to take part in. All students from Kindergarten through fifth grade were arranged into groups so that they could all try their skills at the various tasks. Each activity is related to the number 100 in one way or another.

The Moving Company located in Keene, came to the school to present a dance performance of "Antonio's Feathers", which was based on a Mexican folklore. We can always count on the Moving Company to bring us a wonderful dance performance. We are very fortunate to be able to offer our children the opportunity to experience such cultural events.

As in the past, our school held a Memorial Day Program. The children honored the tradition of placing flags at the gravesites of veterans. Local veterans, Mr. Joseph Driscoll and Mr. Robert Hardy, joined us for our program, and made the event even more memorable by demonstrating the proper care of our national flag. Several of the students researched historical facts about some of Stoddard's former veterans, and then shared this information as part of the program.

The school year ended with a final farewell message at our graduation ceremony from Mr. Donald Jones, who retired as our school district's superintendent. Mr. Jones was presented with a watercolor of our school, which was painted by our school's art teacher, Mrs. Marie-Lise Rielly. Mrs. Rielly also made prints of this watercolor, which are available for purchase. Each student also created a page, which was inserted into a dedication book for Mr. Jones. After having worked with our school for so many years, we shall all miss him greatly.

The K/1 class had a busy second half of the school year as they began 2003. In January, the students held a Super Bowl Read-a-Thon. Parent support in this project was outstanding. The students designed football helmets and earned points for books read. The parents and students read a total of 3,975 minutes together during the month! The students celebrated this effort with a Super Bowl Ice Cream Sundae Party.

As winter turned to spring, everyone enjoyed the unit on maple sugaring. After learning about the process, the class took a field trip to Parker's Barn in Mason to see the process first hand. To top off the trip, everyone loved trying the maple syrup on pancakes!

The K/1 class planned a number of special days for the spring. For Mother's Day, the class baked coffee cakes, so that the moms could come to school and be served breakfast. The students also performed a short play for the mothers. For the fathers, a Dad's Night was held in which a sing-along with musical instruments and rhythm sticks took place. Pizza and punch was served for supper, and later, the children and their dads made sand kites and flew them outside until dark.

At the end of the school year, Grandparents Day was held in which many grandparents and "honorary" grandparents came to spend an afternoon doing various activities. The children put the grandparents right to work!

The 2/3 class had a busy spring studying multiplication, comprehension skills, sentence parts, current events, space, and ecology to name a few. In science and social studies, students integrated reading, math, and writing. Guest readers from the community came into the classroom to read to the children. Hearing different voices read out loud helps students develop their own reading voice. Guest readers also help develop a better sense of community.

While studying space, students designed, wrote, and illustrated individual space resource books. In research about ecology, students created ways to save the Earth's few resources and dreamed up innovative ways to power our world. They collected, graphed, and discussed results of energy usage in the school. As a concluding activity, students traveled to the Ecotarium in Worcester, MA. The museum boasts live animals that have been rescued. There are also habitat exhibits, mineral displays, and many hands on learning activities. All of the students enjoyed themselves and wanted to stay longer than the six hours planned.

Last winter, the 4/5 class followed the Iditarod as we studied about dog sledding which went along with our literature based reading program. Each student selected a musher from the list of contestants to root for, and the race was observed by logging onto the Iditarod website. The three top winners were each awarded their own stuffed sled dog. The class had a fun time keeping track of the race and learning about the sport of sled dog racing.

As part of the French program, the students put on a Mardis Gras celebration with Madame Reilly, the French Teacher. Crepes were prepared and served to the other classes, while a bit of entertainment took place in Mardis Gras fashion. It was a fun event for the entire school!

The 4/5 class made a trip to the Mt. Kearsarge Indian Museum in Warner, N.H. as part of their studies of the Native Americans. The class had been reading The Indian in the Cupboard, by Joan Reid Banks, which is a wonderful story about a boy who has a figure of a toy Indian that comes to life. The children come to learn just how much responsibility is involved in taking care of a living being, as well as the many Native American customs.

The 4/5 class finished off the school year by designing and creating a life mask, which represented a character from one of the novels we had read for our reading program. Students worked with a partner placing plaster strips on each other's face to create a living mask of that child. Once the masks harden, they are removed, allowed to dry over night, and then painted and decorated the next day. The results are often quite extraordinary, and each child has a special memento of their own creation.

This past fall was filled with some pretty exciting events, beginning with our school's Earth Day celebration. We decided to hold off on the Earth Day event until the fall, since we wanted to plant bulbs around the school grounds. The entire school, staff and students all chipped in and helped in the planting of 400 bulbs. We can hardly wait to see all of the beautiful flowers popping up in the spring!

Our school was then visited by Uncle George Radcliffe, who is a wonderful storyteller! Uncle George spent about an hour in each of the classrooms sharing some of his great stories. The students were quite impressed with his talent of being able to tell a story so dramatically.

The P.T.O. once again put together a fantastic Thanksgiving feast for the school. Many parents were able to join the staff and students for this event. Tables and chairs were set up for dining, and each child had decorated a placemat for themselves and any guests, which were joining us. Much time and effort went into creating this feast, thanks to the P.T.O. You may have seen the photo and article about this event, which was in the S.A.U. Newsletter this fall.

We finished off the year 2003 with an entertaining Christmas Program. Several performances took place involving musical instruments and French songs, building up to the final portion of the show, when all of the students in grades Kindergarten through five worked together to provide a great finale to the evening.

The K/1 class has been doing a yearlong study about communities. They are learning about how people work, play, and celebrate together. They are planning a presentation for the other classes about community workers.

The 2/3 class has continued to grow and learn. Third graders act as mentors to incoming second graders, and everyone acts as mentors to the kindergarteners and first graders. In September, the class went on a joint field trip with the K/1 class to pick apples. The class had been studying insects and was eager to see how insects could help or hurt local crops. At the end of the unit, students researched a specific insect and produced a written report and model of their insect.

The second and third graders have continued their relationship with the senior citizens of Prospect Place in Keene. In October, the class harvested food from the Stoddard Community Garden and produced a meal for the residents to come and enjoy. Prospect Place even provided ham to add to the feast. Students split into teams and acted as tour guides to show off the school. After the meal, the seniors were reluctant to leave the school and posed for a group picture with the class before departing.

The 2/3 class also developed a service-learning project to help the P.T.O. raise money for the playground fund. Students raised poinsettias and sold them to the community at the school's Christmas program. While raising the plants, students learned how to write business letters, create posters, send out notices, collect and graph data, count money, make change, write

receipts, and act professionally while in a work environment. After it was all done, students also found that they were proud of each other for creating a project and following through to the end.

The 4/5 class started off this school year with the study of ancient Egypt. As the class read an Egyptian themed book, they learned about the mummification process, and about all of the work that was involved in planning and building a pyramid. In keeping with the pyramid building theme, students worked with levers and inclined planes for science. A greater appreciation was earned for those Egyptians who had to labor in the construction of those huge temples.

The 4/5 class also played a simulation game based upon the Pilgrims' arrival to the new world. Students were arranged into groups, which represented their colony. Each group then had to experience the various hardships, which faced the Pilgrims. These new colonies had to try and fair better than the original Pilgrim colony. This Pilgrim program is a great introduction for our study of New Hampshire History. As the class learns about our state's past, they are also reading Farmer Boy, by Laura Ingalls Wilder. This provides the students with a child's viewpoint of what life was like in a different era in our country's society. Much of what is covered in the book is the same information covered in the N.H. History program, but done in a story format. This really helps to tie it all together and provides the class with a better understanding of our history!

At the end of each novel, students in the forth and fifth grade class are required to create a project which reflects either the book that was just completed, or the theme of the book. This is encouraged to be a family event. Some wonderful projects have resulted from family members working together as a team. It is surprising to see some of the ideas that our students come up with. The students must also present their project to the class, and explain how it was made, and how it relates to the book. There is even a school wide sharing of the projects, so that the younger students may be inspired to looking ahead to their educational future.

As you can tell by reading this report, the James M. Faulkner Elementary School is a very busy place. We encourage community members to come and visit our classrooms and special events. We also encourage community members to share some of their own hobbies and interests with the students. We truly enjoy it when local people come and interact with the staff, students, and the school program. Working together helps to make our children's education a successful and enjoyable experience!

Respectfully submitted,

Mark LaFleur

INDEPENDENT AUDITOR'S REPORT

To the School Board
Stoddard, New Hampshire, School District

We have audited the general purpose financial statements of the Stoddard, New Hampshire School District as of and for the year ended June 30, 2003, and have issued our report thereon dated September 25, 2003.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Stoddard, New Hampshire School District is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Stoddard, New Hampshire School District for the year ended June 30, 2003, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

However, we noted certain matters involving the internal control structure and its operations that we have reported to the management of the Stoddard, New Hampshire School District in a separate letter dated September 25, 2003.

This report is intended for the information of management and the School Board. However, this report is a matter of public record and its distribution is not limited.

Donald Jones; Director of Special Education, Diane Lurvey; Assistant Superintendent of School, Roxanne Wilson; Board Chairman, Brenda Howard; Board Members, Carol Clark; Clerk, Helen Hayes; and Moderator Daniel Eaton. Also present were Principal, Mark LaFleur; Teachers, Maggie Sergeant, Kathleen Guertin, Janice Dialessi and Stoddard voters.

Moderator Daniel Eaton called the meeting to order at 7:00pm.

ARTICLE #1 - OPENING OF THE POLLS - Nancy Cressy moves that the polls be open for voting from 7:00 to 8:00pm or the end of the meeting. Sally Cahill seconded the motion. All were in favor.

ARTICLE #2 - Carol Clark moves that the District accepts the reports of agents, auditors, committees, and other officers as printed in the Annual report. Jessica Higgins seconded the motion. The voters approved the motion by voice vote.

ARTICLE #3 - Brenda Howard moves that the District establish the salaries of the School Board and fix compensation for other officers and agents as included in the 20032004 budget. Helen Hayes seconded the motion. The voters approved the motion by voice vote.

ARTICLE #4 - Carol Clark moves that the District raise and appropriate the sum of \$1,304,199 (one million, three hundred four thousand, one hundred ninety nine dollars) for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the District. Brenda Howard seconded the motion.

*Denise Pratt questioned why Supervision of Plant and Operation of Buildings went up from last year. Jim Crane explained this in detail for the voters.

*George Cahill and Lou Grandpre' questioned why the audit services went up so much from the past years. Don Jones and Jim Crane explained this to the voters.

*Denise Pratt asked what the Transfer of Food service item was. Jim Crane explained what this was to the voters.

*Lou Grandpre' questioned the 5% raises for the teachers under contract, which is a 3-year contract so they have received a 14-15% raise to date. Don said yes this is true.

*Chet Pratt questioned why the Special Education Revenue went down. Don Jones and Jim Crane explained this in detail for the voters. The voters approved the operating budget of \$1,304,199 (one million, three hundred four thousand 2 one hundred ninety nine dollars) by voice vote.

ARTICLE #5 - Brenda Howard moves that the District shall vote to raise and appropriate the sum of \$20,000 (twenty thousand dollars) as a deficit appropriation, pursuant to RSA 189:28-a

to the 2002-2003 budget caused by unanticipated expenditures in special education and middle/high school tuition. This warrant article is supported by the school board. Helen Hayes seconded the motion.

- *Pat Campbell asked if this was the total deficit. Don Jones answered this.
- *Lou Grandpre' asked how many kids we do have total in all schools. Don Jones and Carol Clark answered this for the voters.

The voters approved the motion by voice vote.

ARTICLE #6 - Angela Bush moves that the District shall vote to raise and appropriate the sum of \$6,000 (six thousand dollars) to be added to the Stoddard School District Buildings and Grounds Fund as established in March 2002, for the purpose of providing for any future upgrading, maintenance or repair of the buildings and grounds. This appropriation is in addition to Warrant Article #4, the operating budget. Carol Knutson seconded the motion.

- *Denise Pratt asked what kinds of repairs are coming up. Carol Clark answered this for the voters.

The voters approved the motion by voice vote.

ARTICLE #7 - To choose agents and committees in relation to any subject in the warrant. No action taken.

ARTICLE #8 - To transact any other business that may legally come before said meeting. Carol Clark representing for the School Board wanted to recognize the PTO for all their support with the different activities and all their hard work throughout -the whole year. Carol also wanted to thank Kate Pollock for all her hard work with the before and after school program Kids Klub. Carol also wanted to give a big thank you to Don Jones for all his hard work and dedication to our school and has had a good rapport with all the staff and students.

- VOTING RESULTS - Polls closed at 8:00pm
- Moderator - Daniel Eaton

ANNUAL REPORT

School Administrative Unit #24

Superintendent of Schools Report

This past year saw a transition from the capable leadership of Don Jones who retired after many years of outstanding service. In taking over as superintendent of SAU 24, I am pleased to support a veteran SAU staff that will continue to provide business and financial services to the four school districts that make up the SAU. Our work is year-round and covers budgets, bonds, and buildings in addition to personnel, purchasing and payroll. The reporting functions that are required by the State and Federal governments continue to grow in number. The SAU staff is interested in utilizing technologies to gain efficiencies to increase our productivity.

SAU 24 also continues to provide coordination of curriculum and instruction among schools. It is the SAU's responsibility to insure that there is an articulated K-12 program. No Child Left Behind has added an opportunity for expanded measurement of student progress. That progress is currently monitored by each student's participation in New Hampshire's Educational Improvement and Assessment Program (NHEIAP). Annual testing in English and math will be expanded to all grades 3 through 8 by 2005. Structures for bringing teachers together to discuss curriculum, instructional practices, and assessments are being expanded, building on the work of the Best Schools Leadership Institute. Analyzing the progress of special needs children is providing new challenges for insuring that each student can demonstrate proficiency as is now mandated by the Federal government. Centralized data management in tracking student information and progress is a short-term goal of the SAU administration in order to be able to analyze data that can inform better teaching practices.

I have begun working with administration in each district to review and refresh our educational goals. School principals and assistant principals have engaged their staffs in writing measurable educational outcomes for school improvement. The outcomes are focused on safe schools, student proficiency in English and math, academic success of the at-risk student, and well-managed schools. The districts' administrators have made a commitment to working closely together to take advantage of the extensive collective experience that characterizes the group.

Finally, I am supporting Boards in their responsibilities. Each district has its own concerns that reflect the individual school communities. Whether it is addressing space needs, passing a budget, developing and interpreting policy, or improving student achievement, it has been both a challenging and enjoyable first year for me. I will continue to look for community input in solving problems, being particularly sensitive to the growing demands on educational systems and the increasing burden on the local taxpayer. My objective will be to strike a balance between ever increasing educational needs and fiscal responsibility.

I appreciate the opportunity to serve as superintendent of SAU 24 and its four school districts.

Respectfully submitted,

Christine D. Tyrie, Ed. D.
Superintendent of Schools

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report lists all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family or in some other way not qualified as a market value sale. Based on this information, the Department of Revenue Administration calculates the percentage of Assessed Value to Market Value.
